Dear Potential Sponsors:

As we approach the 60th Diamond Anniversary of the Thomas Walter Josey Comprehensive High School, your sponsorship will help us support the school and community with events to celebrate and preserve its legacy. Our school, Thomas Walter Josey Comprehensive High School (T.W. Josey) is in an economically disadvantaged zone and some of its students are without adequate resources needed for daily living and for the pursuit of academic excellence.

We hope to increase our outreach through alumni giving. Your sponsorship(s) will assist with the promotion of this 60th Diamond Anniversary, the school's traditions, and demonstrate the pride we have for our alma mater.

T. W. Josey Alumni Foundation, Inc is a registered 501c3 non-profit organization and your donation/sponsorship are 100% tax deductible. The donations will assist us with events and stabilizing funding for the betterment of T.W. Josey.

With your donations, our goal is to champion the school and community beyond the 60th Anniversary by providing T.W. Josey High School with ongoing support throughout the year.

As you consider contributing to our organization, please utilize the EIN Number above to claim your tax deduction.

Sincerely,

Mr. Abe Gibbons
President

Mr. Donnell Holt
